

Market Range Detail - Finance/Business Analyst - Department

Effective Date

May 16, 2007

Market Range Title Description

Positions in this market range title are responsible for the professional management of the financial activities of a department or large division. Primary duties typically include the analysis, execution and allocation of the department's financial resources and business operations. Typically, incumbents are also responsible for the analysis, development, reporting and maintenance of the department's budget and strategic plan. Incumbents may work in a variety of areas including financial analysis, planning and budgeting, and/or cost accounting. Positions within this market range title differ from the Accountant in that the Financial/Business Analyst has a broader financial managerial responsibility which encompasses a number of different financial and/or business areas. Positions assigned to this market range title may supervise administrative and/or accounting staff.

Market Range

Glossary:

Market Range Title: Broad grouping of related positions with like job responsibilities and qualifications. Market Range Titles typically include positions ranging from entry level to senior/lead level unless indicated otherwise.

Effective date: The date the salary range was implemented for use.

Market Range Title Description: Broad description of sample job duties and responsibilities of positions included in the Market Range Title. Each position included in a Market Range Title also has a job description that is specific to the department. Departments are responsible for writing and maintaining job descriptions for positions in their department. Employee Compensation is responsible for writing and maintaining Market Range Title Descriptions.

Likely Minimum Qualifications: Typical minimum qualifications for positions assigned to the Market Range Title. Because a broad group of jobs in different departments are included in a Market Range Title, minimum and preferred qualifications may vary slightly depending on the area of assignment.

Market Range: The minimum, midpoint, and maximum salary points for all positions included in the Market Range Title.

Hiring Range: The hiring range for all positions is ordinarily the minimum of the market range to the midpoint. The use of a different hiring range must be approved by Employee Compensation. Departments should use a hiring range that is within their funding capabilities and are required to comply with the County's Funded Position Policy ensuring that applicants are extended a rate that is supported by the department's budget.

Working Title: The specific title used by a department to identify a position within their organizational structure. Use of working titles is flexible and aimed to assist departments in identifying the unique functions and responsibilities of each position and is representative of the assigned Market Range Title. Ordinarily, supervisory and/or managerial titles should not be used for positions not assigned to a supervisory and/or manager Market Range Title.
